Orthopedic Medicine**

Professional Mentorship & Coaching

#1 International Best Seller on PRP

Dr. Truong has extensive experience in the non-operative management of musculoskeletal injuries. She has been using PRP and regenerative cell therapy since 2007. She uses PRP for cosmetic applications as well.

Join Dr. Anne Truong as she instructs, with hands on training for bone marrow extraction and lipoaspiration techniques.

When learning complex procedures that can easily be taught wrong, you want to ensure that you are learning from a professional whose abilities are unrivaled. Dr. Anne Truong has been in practice for over 20 years. Because of her extensive experience and expertise, she is a sought-after speaker in the field of regenerative stem cell medicine on Orthopedic, Sexual, and Aesthetics. Additionally, Dr. Truong has taught a multitude of providers in extensive workshops for over a decade. Her wealth of knowledge transcends any other hands-on workshop offered in the field of regenerative medicine. Your training will be on live models, which will permeate with comprehensive step-by-step instructions to enable you to leave with the knowledge, readiness, and confidence to perform Vampire and Orthopedic procedures immediately. In her workshops, you will learn the science and physiology behind the methods to further enhance your understanding on any procedure. With Dr. Truong's mentorship, you will walk away with the skills to effectively treat your patients with conclusive results.

So, when contemplating who to learn from in a sea of providers, Dr. Truong is truly the best option—she is trustworthy and will ensure your training is taught thoroughly.
